

## **THE PRESIDENT'S PRAYER**

Creator and life-giving God,  
in your love you have created us in your image  
yet diverse and distinctive in your sight:

Encourage within us the many gifts and skills given  
to us  
that we may in our daily living reflect your  
divine glory.

As we meet together as one  
holy, catholic and apostolic Church,  
may the richness and diversity of our communion  
enhance the mission of your Church,  
reflecting the fullness of the expression of our  
faith,  
and drawing all people into life of a balanced,  
inclusive and welcoming community.

This we ask in the name of our Risen Lord and  
Saviour,

Jesus Christ  
who with you and the Holy Spirit reign,  
one God, now and forever. Amen

The Revd Dennis Webster
